Cameron has been in awe of Jane for years

Jane Fonda: BILLIONAIRE MATCHMAKER

HOLLYWOOD golden girl Cameron Diaz is looking to bag a billionaire – and she's enlisted the aid of Jane Fonda, who once reeled in moneybags media mogul Ted Turner.

The 40-year-old actress has told friends she's "sick and tired of being the single party girl" and wants to remake her image so she can land a bankable beau, say sources.

CAMERON HAS BEEN IN AWE OF Fonda for years, and the two became buds after swapping phone numbers at a Paramount party in 2012, revealed an insider.

Now the statuesque beauty seeks Jane's advice on everything from her career and image to men and dating.

"Cameron's tired of playing the airhead blonde and wants to take the next big step in her life," said the insider.

"Jane's encouraging her to read up on politics and be more of an activist in the coming year. She's convinced Cameron that will help her attract a seriously rich husband."

She's helping Cameron Diaz FIND A HUBBY

The 75-year-old Academy Award winner is also encouraging Cameron to pursue automotive genius Elon Musk, one of America's most desirable billionaires, say sources.

Musk, 41, is the co-founder of Tesla Motors, a line of electric vehicles, and the Internet payment service PayPal. Cameron – who's dated a host of hunks including singers Justin Timberlake and Adam Levine and baseball star Alex Rodriguez – already has a flirty relationship with the businessman. But the two have never been unattached at the same time.

"Elon thinks Cameron is gorgeous," revealed a source. "He personally sold her a Tesla earlier this year and they were flirting up a storm the whole time."

SURI CRUISE has suddenly become an even more popular girl, thanks to rumors that she's set to launch a multimillion-dollar kids fashion line.

Now her classmates at Avenues, the exclusive private school she attends in Manhattan, are inundating the 7-year-old with design ideas.

"Even some of the parents have gotten into the act," said an insider. "They've given their kids little scraps of paper with pictures of outfits they've put together."

ACCORDING TO A RECENT report, the impeccably dressed only child of Tom Cruise and Katie Holmes is going to have a $2.3 million clothing line named for her. The report, which was widely circulated, also said the label's first collection for young girls would debut in a New York department store this fall.

Ironically, the rumors about the budding fashionista helped win over the parents of some of the children in Suri's tennis class. As The ENQUIRER reported in our May 13 issue, the other kids' moms and dads were furious when Katie pulled strings to get them banned from the building while Suri was taking lessons.

"All is forgiven, apparently," said the source.

A rep for Katie denies that Suri is going to be the next "Fashion Star," but that isn't stopping the little "Project Runway" wannabes at Suri's school from trying to get chummy with her.

"Suri's been a little overwhelmed, but she loves all the attention," the source noted. "If everyone didn't want to be her friend before, they do now!"

MY FAIR JADA

Will Smith trying to SMOOTH OUT WIFE'S ROUGH EDGES

AFTER nearly two decades together, Will Smith is still trying to turn his street-smart firecracker of a wife, Jada Pinkett Smith, into a more refined lady.

The Hollywood power couple, who met in 1990 when she auditioned for the role of his girlfriend on "The Fresh Prince of Bel-Air," have even come up with a funny name for their "etiquette lesson game" – My Fair Jada!

"Will is always trying to tone Jada down," revealed a family insider.

"Jada looks petite and demure, but in a flash she can change into a trash-talking pit bull."

JADA IS SAID TO BE PARTICULARLY tough on people she believes aren't pulling their weight, so Will went out and bought her an e-book on etiquette and started e-mailing her funny suggestions on how to deal with others without hollering.

"After Jada started yelling at one of their household workers for calling her 'Jada' instead of 'madam' or 'ma'am,' Will sent her a little note saying 'too many cooks spoil the meal – especially when one is a madam!'" revealed the insider.

"Another time, a cleaning guy broke a flower vase, and Jada let him have it with both barrels – 'clumsy' is the nicest thing she called him. Will asked her, 'why you all upset, that was my favorite gravy boat too!'

"Jada wanted to smack Will when he first started making fun of her, but she wound up laughing at his goofy suggestions."

The Hollywood couple with their kids Willow (left) and Jaden

Will, 44, and Jada, 41, were married in 1997 and have two kids together – son Jaden, 14, and daughter Willow, 12. While they are living a life of luxury, Jada apparently still bears scars from her rough-and-tumble childhood.

Jada's mom, Adrienne, got pregnant with the future star while still in high school and admitted to abusing drugs for most of Jada's young life. Making matters even more difficult, Jada's father wasn't around when she was a child – a pain that lingers to this day.

To cope with her rocky upbringing and frequent disappointments, sources say Jada developed a hard exterior.

"Taking the rough and tough, unrefined side out of Jada has been a work in progress for Will since they got married," said the insider. "But it's a labor of love for him, and now even she likes playing 'My Fair Jada'!"

LITTLE GIRL WHO BECAME A KILLER

Ryan Burns

Jodi Arias ex tells ENQUIRER what he couldn't say in court

EXCLUSIVE INTERVIEW

Jodi was a timid schoolgirl with an infectious giggle and a quick smile

Jodi claims she was abused when she was younger

BEFORE Jodi Arias grew up to become a vicious, coldblooded killer, she was a timid little schoolgirl with an infectious giggle and a quick smile.

One of her closest pals in grade school in Salinas, Calif., who prefers to remain anonymous, told The ENQUIRER: "Jodi was a good student. She was soft-spoken and she laughed a lot. She had a funny giggle and was a little bit shy but seemed pretty normal."

At her trial for viciously butchering her ex-beau Travis Alexander in 2008, Arias claimed she was abused as a child, including being hit with a wooden spoon.

"I remember the spoon," said the friend. "Once when she and her little brother Carl were acting up, Jodi's mom said: 'Do you want me to get the spoon?'"

Arias' punishment for killing 30-year-old Alexander will be much more severe. The 32-year-old vixen is facing a possible death penalty, and that seems fitting justice to another one of her ex-boyfriends, businessman Ryan Burns.

Arias is facing the death penalty for viciously butchering ex-beau Travis Alexander

"Ten hours after she killed Travis, she drove straight to see me," Burns told The ENQUIRER. "She called me along the way, laughing and giggling about getting lost, which shows how dark and evil she really is. She could have won an Academy Award for the way she acted. It really makes me sick now."

Burns – who says Arias plagued him with endless calls and text messages – admits he should have realized sooner that something was terribly wrong with her.

"In hindsight, the fact that she had zero friends and was calling me nonstop should have been a big red flag," he said. "But I was too smitten to see it."

WHEN O.J. Simpson appeared in a Las Vegas courtroom seeking a new trial on May 13, people were in for a BIG surprise!

It was the first time he'd been seen in public in four years, and the once dashing pro football star's body is now horribly bloated, his thinning hair has gone mostly gray and he can barely walk due to his chronically bad knees.

"He looked exhausted, his skin is blotchy and he's heavy – he's pushing 300 pounds," said an eyewitness.

Yet "The Juice" claims he remains a hit with the ladies.

"I'm fat and ugly, but women still love me," O.J. boasts, according to a source at Nevada's Lovelock Correctional Center, where he's been serving a 33-year sentence for armed robbery and kidnapping.

AND THOSE LOVELORN WOMEN made his life behind bars a bit easier to stomach, lavishing him with so much cash the source says he spent a whopping $3,000 a month at the prison commissary.

"Twisted female groupies sent him thousands of dollars a month so he could live like a king behind bars," said the source. "When O.J. went to the commissary to pick up his order of junk food, it took THREE inmates to help him carry the load back to his cell," the source continued.

"These same women also wrote him love letters and told him he can stay with them when he gets out of prison. Some even sent him panties

At O.J.'s first public appearance in four years, he showed up bloated, his hair thinning and mostly gray, and he could barely walk due to his bad knees

and lurid pictures of themselves, a few of which made it through the screening process."

In jail, Simpson also had his own television, tons of books and his cell was a popular hangout for other prisoners, some of whom would stop by to borrow books.

"One book he liked to lend out is by James Patterson and has a chapter about a character killing his wife," said the source. "The author even signed it for O.J."

But not every prisoner liked O.J., which is why he enlisted the help of an inmate nicknamed "Smoke."

"Smoke is one mean dude and is built like a brick wall," said the source. "So if you wanted to hurt O.J., you thought twice about it."

Problem is, O.J. has done a lot of damage to himself, as his weight gain and refusal to exercise have been wreaking havoc on his health, notes the source.

"He's been told he's a walking time bomb because he has heart disease, which could cause him to have a heart attack," explained the source. "That's why he's so anxious to win his freedom. He knows he has severe heart problems and wants to get out of jail so he can live the rest of his life as a free man with his family."

Arnelle Simpson

Ironically, the only member of his family to show up at the beginning of his court hearing was Arnelle, who he's accused of frittering away his money while he's been behind bars. The 44-year-old is his daughter with his first wife and was slated to testify. O.J., 65, is hoping to get out of jail on bail pending a new trial. He claims his former attorney, Yale Galanter, botched his defense at his 2008 trial.

If O.J. does get released, he plans to take advantage of his popularity among his female admirers.

The source added: "O.J. wants to go on tour and it'll be 'girls, girls, girls' – so long as the heart disease doesn't kill him first."

A NOSE FOR THE JOB

Pooch helps anxious parents GET THEIR KIDS OFF DRUGS

IN the latest twist on the war on drugs, worried parents can call in a drug-sniffing dog named Joe to find out if their kids are hiding dope in the house.

But the Texas tail-wagger doesn't work for law enforcement – he's handled by a private investigator who keeps his client's best interests at heart.

"Joe and I can locate the drugs, but we leave it up to the parents to take it from there," said Richard Stannell, who works with the pooch for RK Agency Investigations in Granbury, Texas.

"Parents can call in the authorities or deal with the situation themselves. It's a win-win situation for everyone."

STANNELL LAUNCHED THE SERVICE after a client asked for help when his son moved back home after a stint in rehab.

"The client wanted to be sure his son didn't have a hidden drug stash in the house," said Stannell. "I wanted to help, and my research led me to locate a drug dog."

Joe, a certified narcotics canine, is trained to detect heroin, marijuana, meth and cocaine, says Stannell. In the past year, the drug-busting duo has gone out on nearly 50 calls.

"Parents who suspect their children have a drug problem are usually right," noted Stannell, who charges an average of $350 for the service.

"Some clients say, 'We've found drugs in the house but we need you to come in and make sure we have them all. Others say, 'We think we've got a problem. Can you come in and help?'

"But the dope can be hard to find – in air conditioning vents, under the carpet, under the linings of beds, behind bureaus in bedrooms..."

That's where Joe comes in. When the sharp-nosed pup sniffs drugs and "alerts," Stannell steps back and suggests the parents conduct the drug search.

"As a state-licensed agency, we have an obligation to call law enforcement if we find drugs," he explained.

"BY LEAVING THE SEARCH TO THE parents, they can confiscate the drugs and contact authorities – or not. It's up to them."

Stannell also provides parents with information on drug counseling and other resources.

"We've had wonderful feedback from our clients," he added. "By providing them with information to deal with their problem, they can take concrete steps to solve it. We really try to help."

John Ritter with wife Amy in 2003. At right, Amy with Michael Plonsker

Ritter widow FINDS LOVE AGAIN

Amy Yasbeck falls for her $14M lawsuit attorney

NEARLY a decade after John Ritter's death, his widow, Amy Yasbeck, has found love again with handsome Hollywood lawyer Michael Plonsker.

The salt-and-pepper-haired attorney, 56, was part of the legal team that helped Amy, 50, and John's children nab a whopping $14 million settlement in the wrongful death suit against medical personnel and the hospital John was taken to after he collapsed on the set of the sitcom "8 Simple Rules for Dating My Teenage Daughter."

The "Three's Company" star died of an aortic dissection on Sept. 11, 2003, at Providence Saint Joseph Medical Center in Burbank, Calif.

Amy maintained John was mistakenly treated for a heart attack and, after the initial settlement, went on to sue two doctors who had treated him for $67 million. In 2008, a jury ruled in the doctors' favor.

Amy and daughter Stella

"AMY AND MICHAEL WERE thrown together by the unbearable circumstances of their court case," said a source close to the actress. "She was still grieving for John and would frequently break down in tears.

"It was extremely hard on her, and Michael provided Amy a shoulder to cry on. Over time, they grew closer and eventually fell in love."

According to the source, Michael has stepped in as a father figure to Amy and John's daughter, Stella, who's now 14. John also had three children with first wife Nancy Morgan.

Amy, currently starring in the Internet-only series "Little Women Big Cars," was slow to get back into the dating scene after John's death.

As The ENQUIRER reported, she had a brief relationship with talk-show host Craig Ferguson in 2006. Although he "helped her fill the loneliness void," it was Michael who eventually won her heart.

"I think John would be happy that Amy's finally moved on and found love again with Michael," added the source. "Somewhere in heaven, I think he must be smiling down on the two of them."

AL PACINO

ACTOR, 73, HAS RENDEZVOUS WITH SEXY ACTRESS – and longtime girlfriend, 34, is nowhere to be seen

PHOTO EXCLUSIVE

On May 7, the superstar actor waited near a bus stop until he received a phone call

MARRIED life will soon be "The New Normal" for Justin Bartha – the blue-eyed actor recently got engaged to Los Angeles Pilates instructor Lia Smith.

Although the two have been together for nearly a year, a source says Justin, 34, decided to pop the question after realizing there were LOTS of other guys competing for lovely Lia's heart.

"Justin normally isn't an insecure guy when it comes to relationships, but all that changed with Lia," a source told The ENQUIRER.

"Lia's fitness clientele consists mostly of men, and a lot of them want to date her.

'He didn't want to take any chances'

"Justin was keeping things casual with Lia until it became clear just how much competition he was up against. He realized he'd better put a ring on Lia's finger before someone beat him to it."

The two haven't set a date yet because they're trying to work

CAUGHT RED-HANDED!

Al didn't wait long before actress Odessa Rae showed up and joined him in his Range Rover

AGING screen legend Al Pacino has been caught having a daytime rendezvous with a stunning redheaded actress just weeks after taking a romantic Italian vacation with his 34-year-old live-in girlfriend. And The ENQUIRER has the exclusive photos!

ON MAY 7, THE 73-YEAR-OLD Oscar winner was spotted on a secluded West Los Angeles street, waiting for beautiful Odessa Rae to show up.

"He parked his car around 3:45 p.m. and sat down on a bench beside a bus stop," an eyewitness told The ENQUIRER. "After he received a call, another car pulled up and a tall young redhead hopped out, gave him a quick kiss and promptly jumped into the passenger seat of his Range Rover. Before they drove away, Al started stroking her hair and they were talking intensely. They returned about an hour later and talked for another 20 minutes before she returned to her car. Then they both sped off in opposite directions."

Al with galpal Lucila Sola

Canadian-born Odessa, 43, who's fluent in five languages and has been featured in a few low-budget movies, told The ENQUIRER that she met Pacino "to discuss a business project" and afterward "went our separate ways."

But she probably still won't make a fan of Argentinian actress Lucila Sola, Pacino's girlfriend of six years.

Said the source: "Al will definitely have some explaining to do once Lucila sees the photos."

DESPITE HIS RUSH TO GET LIA OFF the market, the source says Justin – who also starred in the recently canceled NBC sitcom "The New Normal" – never had a reason to worry.

HOW IRONIC! Despite amassing a fortune north of $100 million after turning his junkie/jailbird life around, "Iron Man" **ROBERT DOWNEY JR.**'s not about to become Downey-and-out again – he maintains an iron grip on the family purse strings! Out promoting his blockbuster flick that's headed toward a $1.2 billion gross, Downey grabbed a moment to phone wife **SUSAN** in a near-panic, says an insider. "Robert told her he'd just realized his cell phone contract was up in a day, and asked if she – or their business manager – could renew it so he wouldn't have to pay an extra fee if it lapsed. Susan was kinda shocked and said, 'Don't you have more important things to worry about right now? We're talking, like, a hundred bucks!' But Robert just told her there's no sense in throwing money away!"

SHEER DELIGHT! Lensing a video for her new single, Selena Gomez shelved her good-girl image and turned up the heat in this sizzling see-through number.

Cher's fat deal for chubby Chaz: Melt blubber @ $1,000 per pound!

Showbiz legend **CHER**'s the world's happiest mom now that transgender son **CHAZ BONO**, who once weighed a scale-busting 345 pounds and faced near-certain death by heart attack, miraculously turned his life around and dropped a whopping 60 pounds – a miracle that cost Cher a whopping $60,000! A year ago, The ENQUIRER reported that the superstar was "worried sick about Chaz's weight gain...he was huffing and puffing on the phone during conversations with her, and she flew into a full-fledged panic attack, terrified she'd eventually get the phone call every mother dreads – that her child is dead!" Suddenly fearing for his mom's health – and his own, because even walking had become painful for him – Chaz told Cher he'd totally commit to shedding blubber and getting healthy, said a family insider. So Cher, in an inspiration born of desperation, made her child a fat deal – she'd gift him a hefty $10,000 for every 10 pounds of weight shed. "Chaz balked at first, saying he didn't want a handout," said my source. "But Cher told him: 'I love you and I want you to be healthy. This isn't a handout – it's an incentive to stay on track with your goal.' Incredibly, Cher's $1,000-a-pound diet plan worked! Chaz not only looks great – he's boasting to pals he's committed to losing *another* 20 pounds, partly through liposuction." (And gaining another *20 grand*! You listening, Jenny Craig?)

Scary psycho-drama for "New Girl" beauty **HANNAH SIMONE**, who entered a vacant elevator in an LA office building and – just as the doors were closing – a wild-eyed wacko bolted inside and screamed: "You CANNOT marry Shivrang!" The shaken star later told my source: "Knowing the man was unbalanced, I tried to keep my cool. I knew he'd confused me with my character on the show, Cece, who's supposed to get married to a character named Shivrang. So, I spoke to him as Cece and said, 'Why is that? Do you want me to get back together with Schmidt, my old boyfriend?' That's when it got even scarier, because the guy screamed, 'NO! He's not right for you either!'" Keeping calm, Hannah/Cece just kept saying how sweet the guy was to look out for her – but when the doors finally opened, she bolted for the office she was visiting and alerted security. Sadly, El Wacko got away clean!

SET TO SPLASH

SURF'S UP! "Parks and Recreation" star Rob Lowe gets some R&R while vacationing in Oahu, Hawaii. At 49, he's still not bored with the board.

What does **JULIANNE HOUGH** miss most after splitting from **RYAN SEACREST** – the romance, the gifts, the VIP treatment, the...*sex*? NO!! What the girl's missing is My Favorite Metrosexual's fabulous fashion advice! "Ryan has impeccable taste in fashion," says my Spyin'-on-Ryan source, "and Julianne really, really relied on it. Now that they're no longer together, she can't ask him what to wear and it's killing her!" Julianne calls friends

and designers she knows for fashion advice, but keeps whimpering to pals: "No one is better than Ryan!"

Seen-it-all stud **JOHNNY DEPP** was stunned when two gorgeous female fans approached him and hubba-hubba squeeze **AMBER HEARD** on a BevHills street, asked if they could get a picture – and when nice-guy Johnny agreed, they handed him an iPhone, but immediately started posing and snuggling with *Amber*! After Johnny clicked the pic, the girls started hitting on "The Rum Diary" bombshell, purring about her beauty – and how it's great she's so open about her bisexuality! "It was outrageous – the girls acted like Johnny wasn't even there, inviting Amber to a party later that evening where there'd be a lot of hot girls – and guys. Johnny finally jumped in and said, 'Hey, can't you see she's with me? This is a first! Usually girls hit on *me*...not my girlfriend!'" Hoping to snare Amber, the lady-lechers reluctantly invited Johnny, too – but the star grabbed Amber's arm and quickly steered her to a nearby bistro for dinner.

IN YOUR FACE! Cameron Diaz and Leslie Mann "bump" into each other while filming a catfight for their flick "The Other Woman" in New York.

BANG THE DRUM SLOWLY! Helen Mirren shows off flowers and a drum presented to her in apology by a London street band that had inadvertently played loudly enough to disrupt her performance in a theater nearby.

Is this what put **REESE WITHERSPOON** in a grouchy mood before her headline-making run-in with that cop? New Mommy – proud she'd dropped baby weight by strict dieting – damn near had a cow when she discovered french toast she'd gobbled for breakfast on the Atlanta set of her new movie, "The Good Lie," was smothered in REAL syrup and REAL butter!... *SHRIEEEK*!..."Reese had sent specific instructions to the on-set chef that she wanted sugar-free syrup – and margarine instead of butter," said My SpyWitness. "After gobbling the toast, she said, 'Wow, that tasted like the REAL thing!' – then checked the container and discovered it really WAS! 'Oh, my God,' she screamed, 'I just ate over a thousand calories!'" Turns out the chef *never* got her instructions! Reese, furious at first, finally shrugged and said: "I'll just do an extra hour on the StairMaster!" (Now *that's* our good-natured gal!)

Speaking of having a cow: I remember reading years ago in "Star" mag that ageless MOO-vie star **JENNIFER GARNER**'s secret for maintaining *udderly* glowing skin is a creamy product called "Udderly Smooth" – used by dairy farmers to keep their cows' udders soft and supple. When Jen popped into an LA pharmacy to pick up a jar, the salesgirl asked: "Does that stuff really work?" The West Virginia-bred beauty gushed that she's sworn by it for years – ever since she heard country cutie **SHANIA TWAIN** confess she slathers the stuff all over her bod. "It beats using Botox," giggled Mrs. Affleck.

BOLDFACE TWEETS DEPT.: Celebrity Twitter-Heads of the week are funnygal **ROSEANNE BARR**, @TheRealRoseanne, who tweeted: "i think it's great when old men robert redfords age stop trying to have sex with young women-the red hair hat is NOT sexy, sorry old farts!" And "ET" co-anchor **NANCY O'DELL**, @NancyODell, who tweeted: "Silly Joke of Day! U hear bout the red ship & the blue ship that collided? Both crews were marooned." (FYI, you can reach *me* on Twitter @IMwalkergossip.)

Florida cops arrested and jailed **PARIS HILTON**'s second cousin, **CONRAD HILTON III** – namesake grandson of the Hilton Hotels founder – after he publicly manhandled an on-again/off-again live-in galpal at a swank Boca Raton eatery, where he and a buddy ran up a $500-plus dinner-drinks bill and refused to pay. After a night in jail, alleged deadbeat/beater Hilton – who listed his occupation as "philanthropist" – was released on his own recognizance. Stay tuned.

JESSICA SIMPSON freaked when she caught hunky ex-NFL baby-daddy **ERIC JOHNSON**, a tender 33, stroking one of those to-dye-for color-comb kits through his graying beard and sideburns. "What are you *doing*?" shrieked Jess. "I love the gray in your hair. Don't you *dare* get rid of it!" Eric, who thought he'd surprise wifey-to-be with a sexy toyboy look, ended up the stunned one when Jess snatched his comb, marched downstairs – and slam-dunked it into the trash!

Attention, anonymous co-worker/prankster who ridiculed "Big Bang Theory" co-star **MAYIM BIALIK** for being a recognized expert in holistic and herbal medicine – your lame-ass humor STINKS! The bighearted actress, always quick to help ailing colleagues with holistic advice, reported an ailing toilet in her dressing room – and after producers had it fixed, she was shocked to discover a sign hanging over it that read: FIXED BY A HOLISTIC PLUMBER! Wah-*waaahhh*! "Doc" Bialik, who's passionate about her beliefs, was not amused – and wants to prescribe a high colonic for Dumber Plumber! *Flusssh*! ...And how was YOUR week?

House Speaker John Boehner is third in line to the presidency

Dominic and Lindsay pose for pictures, and despite the commotion, Lindsay was very pleased her father (circled at right) was by her side on her special day

Boehner girl's WEDDING WRECKED – BY SECRET SERVICE GOONS

Gun-totin' feds search guests as speaker's daughter marries pothead beau

Boehner arrived at Sundy House in Delray Beach, Fla., in a caravan of four large SUVs filled with Secret Service agents

HEAVY security turned the small, tropical wedding of House Speaker John Boehner's daughter Lindsay to a pot-smoking Rastafarian into a three-ring circus – complete with bomb-sniffing dogs and gun-wielding Secret Service agents!

On the evening of May 10, Lindsay said "I do" with Dominic Lakhan – a Jamaican-born construction worker who, as The ENQUIRER exclusively reported three weeks ago, had been busted for marijuana possession in 2006.

The Secret Service and police nearly outnumbered the wedding's 60 guests, who watched Lindsay, 35, tie the knot at Sundy House, a historic Delray Beach, Fla., hotel.

"Lindsay and Dominic went out of their way to plan a small, intimate wedding, but the Secret Service turned those plans upside down," revealed an insider.

The arrival of the father of the bride – who is third in line to the presidency – made a bigger splash than Lindsay's entrance as he pulled up in a caravan of four large SUVs filled with Secret Service agents.

"The entire area around the hotel was patrolled by dozens of men – some with shotguns and bomb-sniffing dogs," said the source. "Everyone who came onto the grounds was thoroughly screened, and wedding guests were given special blue wristbands to get in."

Even though Lindsay's special day turned out to be more like a superpower summit, as our exclusive ENQUIRER photos show, she looked radiant in a strapless white gown that revealed a tattoo on her right arm.

Nattily dressed Dominic, 38, also made quite an impression. His dreadlocks were longer than the bride's hair, dangling well below his waist.

Congressman Boehner wore a gray suit that complemented the groom's outfit.

Male guests sported Hawaiian shirts and slacks while the women were clad in sundresses and semi-formal gowns.

The ENQUIRER published an exclusive story about Lakhan being busted for marijuana possession in 2006

AFTER THE CEREMONY, well-wishers enjoyed a buffet prepared by Sundy House chef Lindsay Autry, a star of the Bravo show "Top Chef," Season 9.

Far from the pressures of Washington, D.C., the delighted house speaker danced with his daughter as a band played The Turtles' "Happy Together."

"Lindsay and Dominic had actually considered eloping on a deserted beach somewhere, just the two of them, to avoid having the Secret Service overshadow their wedding," said the source. "But in the end, Lindsay was very pleased her father was there."

Gerard Pique (far left) has been fuming about Shakira's friendship with Adam

SHAKIRA GETS HOT & SWEATY – WITH 'VOICE' HUNK ADAM

New mom's beau is boiling mad

ADAM LEVINE has been bending over backward for Shakira – literally!

The Maroon 5 frontman has struck up a hot and sweaty friendship with his sexy "Voice" co-star over their shared love of yoga – but Shakira's athletic sweetheart is crying foul.

European soccer star Gerard Pique – who's been dating the Colombian hip-shaker since 2011 – is well-aware of Adam's reputation as a ladies' man and made sure to plant a lip-lock on his sweetie for the cameras at a recent game in Spain.

"His message was unmistakable to Adam or anyone else who might have designs on his woman: Hands off, she's mine!" said a source.

Adam, 34, has reportedly been inviting Shakira over to his home for intense Bikram yoga sessions, a form that's practiced in hot and humid temperatures.

"Adam taught Shakira some moves and vice-versa," the source added. "It was a great, sweaty experience."

Meanwhile, Shakira, 36, and Gerard, 26, welcomed their first child – a boy named Milan – on Jan. 22. And although Gerard has been fuming about his ladylove's new friendship with Adam, the handsome rocker – who's currently between girlfriends – insists the new dad has no reason to worry.

> 'Adam thinks she's gorgeous, but he's into tall supermodels'

"ADAM SAYS HE'S JUST been helping Shakira lose some of her stubborn baby weight," noted the source.

Besides that, 5-foot-3 Shakira just isn't Adam's type.

"Adam thinks she's gorgeous, but he's into tall supermodels," the source explained. "Yes. Adam and Shakira have gotten hot and heavy, but it's not about sex – it's about yoga."

ADMITTED cheater Kris Jenner is carrying on a shocking secret relationship with one of the men rumored to be the biological father of her daughter Khloe!

Sources say the suspicious liaison blew up after a neighbor caught a half-naked Kris planting a kiss on her hunky hairdresser of 30 years, Alex Roldan.

Now the 57-year-old Kardashian "momager" is desperate to keep the true nature of her red-hot relationship with Alex, 56, under wraps for fear it will end her troubled marriage to Bruce Jenner, the sources add.

While Khloe thinks O.J. is her real dad, some people speculate it's salon-owner Alex

"KRIS AND ALEX have been friends for decades, but recently they've been spending more and more time together," revealed a family insider.

"She's been confiding in him about her struggles with Bruce, and they've also bonded over reports claiming Alex is Khloe's real dad.

"At first they just laughed off the rumors. But after joking about their supposed secret sex life, all the hot-and-heavy talk got real sexual chemistry brewing!"

That blew up in their faces when the source says the two were busted during an intimate moment.

"Kris was in the back area of Alex's salon for a hair treatment," said the insider. "She removed her shirt to put on a protective cape – but then accidentally dropped it and was left standing there in a sheer, plunging bra.

"Alex quickly ran over with a towel to cover up Kris' exposed breasts. She made a comment about how chivalrous he was, then gave him a kiss.

"It just so happens that one of Kris and Bruce's neighbors was at the salon and caught a glimpse of the clinch. She didn't say anything at the time, but word quickly got back to Bruce."

Bruce later confronted his wife of 22 years and all hell broke loose, according to the source.

"Rather than apologize, Kris told Bruce she wished he were more mature like Alex," said the insider.

"Kris likes the fact that Alex is tall and brawny with a full head of hair and piercing eyes, which Kris says is the opposite of Bruce's man boobs, scrawny legs and whiny personality."

Now, Kris' inner circle is buzzing about her new "fling," said the source.

"Her friends are calling Alex her 'boyfriend,' and her daughters are giving her grief," said the insider. "They're furious that Kris is disrespecting Bruce by carrying on with Alex – even though some believe Alex is gay."

Over the years, Kris and Alex have had no qualms about appearing together in public, sources say, even sharing a luncheon date with Kris' daughter Kourtney and her partner Scott Disick in New York City in 2011.

A published report recently named Alex as Khloe's biological father and claimed that Kris made Alex – who opened his L.A. salon in 1985 – sign a $30 million nondisclosure agreement to keep him from spilling the beans about the true nature of their relationship.

BUT AS THE ENQUIRER HAS reported, 28-year-old Khloe believes she's the result of an affair between her mother and O.J. Simpson and has even invited the disgraced football great to live with her after he's freed from prison.

Meanwhile, Kris has been

branded as a serial cheater.

As The ENQUIRER reported, Bruce caught his wife rekindling her passionate relationship with boytoy Todd Waterman – who was her lover during her marriage to the late Robert Kardashian.

Adding to 63-year-old Bruce's ire, Kris cavorted through France with her hunky trainer, Gunnar Peterson, 50, during a vacation last summer.

As we've reported, Kris' kinky past also includes a three-way romp with O.J. Simpson and his then-wife Nicole Brown Simpson in the late '80s as well as a purported secret sex tape.

In a bid to save their crumbling union, Kris and Bruce began seeing marriage counselors in July 2012. But Bruce later secretly contacted lawyers about divorcing Kris in what could lead to a nasty battle over their $180 million fortune.

"Kris' interest in Alex is putting her bank account and her relationship with her children at risk," said the insider.

"But it's really no surprise. Kris is just doing what she always has – putting herself and her own needs first."

‘Amazing Race’ winners: MAFIA TIES EXPOSED

Sam “Teets” Battaglia (center) was nailed in 1967 and put in jail for 15 years

Bates (left) and Anthony Battaglia are not ashamed of their roots, and never met their granddad, who died in 1973

Hockey brothers’ GRANDFATHER WAS NOTORIOUS GANGSTER

Battaglia was a mobster and loan shark who rose to the top of the infamous Chicago Outfit

“AMAZING RACE” winners Bates and Anthony Battaglia come by their toughness naturally – their grandpa was a high-ranking Mafioso!

The hockey-playing brothers took home the million-dollar prize on the popular around-the-world reality TV race – but what most viewers don’t know is that they are the grandsons of Sam “Teets” Battaglia, a murderous Midwest mobster and loan shark who rose to the top of the infamous Chicago Outfit.

“Sam Battaglia was the Don of the Chicago Mafia,” confirmed Jack Walsh, a retired special agent for the Internal Revenue Service, who nailed Battaglia in 1967 and put him in jail for 15 years.

The Battaglia brothers in a scene from the show

“His street name was ‘Teets’ due to his big buck teeth, and he ran the Chicago Outfit from his farm out west of the city.”

Battaglia was born in Chicago in 1908. At the age of 22, he brazenly pulled a gun on the wife of Chicago’s then-mayor, William Hale Thompson, demanding she hand over her jewels.

He left the scene with $15,500 worth of baubles – not to mention the gun and badge of the woman’s police escort!

That bold stunt caught the attention of mob bosses Johnny Torrio and Al Capone, and he was brought into the Family. Battaglia later became a close associate of notorious crime boss Sam Giancana.

HE EARNED A REPUTATION AS A TOUGH-AS-NAILS loan shark who always made debtors pay – one way or another. People who fell behind in their payments would be brought to Battaglia in the back room of the Casa Madrid restaurant in Chicago, where they would be severely beaten or killed.

The siblings (circled) took home the million-dollar prize on “The Amazing Race”

Midwest mob expert Johnny Fratto, whose dad, Louis Fratto, was Sam’s best pal and fellow mobster, told The ENQUIRER: “He held court and was judge, jury and executioner.”

By 1950, Battaglia had an extensive criminal record that included numerous counts of burglary, robbery and murder.

Eventually, a Mafia turncoat squealed on Battaglia, becoming the state’s star witness in a trial that resulted in the mobster’s conviction on extortion and conspiracy charges.

Bates, 37, and Anthony, 33, never met their grandfather Sam, who died in 1973, years before either of them was born. But despite their dark family history, the Battaglia boys are not ashamed of their roots.

“This is my family,” Bates declared. “This is who I am, and this is where I came from. And I wouldn’t change anything about it.”

Big boobs SPELLED DOUBLE TROUBLE FOR KATY

Sexy singer needed TWO bras to contain her curves

KATY PERRY's been lugging around some excess baggage for a long time – childhood pals say she was so top-heavy she wore two bras to school!

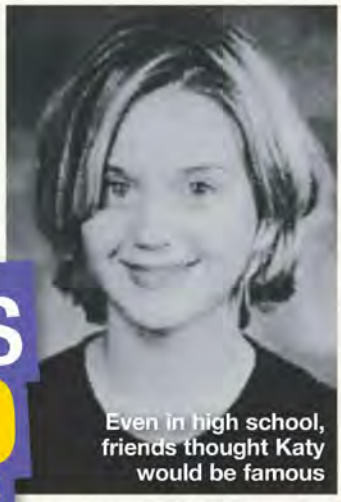
In fact, one of the "Wide Awake" singer's best friends from middle school, the Santa Barbara Christian School in California, recalled: "One time she changed for gym in the girl's locker room. When she took off her shirt, she had not one, but two bras on, and she said, 'My boobs are so massive, I have to wear two bras at once.'

"SHE WAS REALLY PROUD and got lots of attention from the boys, which she loved. She was such a fun person to be around, full of mischief."

The containment problem apparently continued through her years at Dos Pueblos High School.

"I remember she used to need two bras when she was at school," said former pal Tyler Geck.

Katy, 28, has admitted she used ALL her assets to her advantage when she was trying to make it as a gospel singer in Nashville. In a 2004 interview, she recalled how people would comment on her unusual rise to success in music circles by saying: "A total unknown working with the biggest names, Perry must have talent to burn." Then Katy added: "No, I've just got really big boobs. And my sweater gets tighter every week!"



Even in high school, friends thought Katy would be famous

School friends recall the bubbly brunette as a mischief-maker – despite her strict upbringing. Her parents, Keith and Mary Hudson, who were both pastors, set up the Christian Oasis Center in Irvine, Calif.

And the school friends – who called the future superstar "Katy Bird" – say they always had the feeling that there was something special about her.

"WE ALL KNEW SHE WAS going to be famous," said pal Casey Crump. "You were always like, 'Katy, when are you going to be famous?'"

Becky Curry agreed, noting that Katy marched to the beat of her own drum.

"She's always been really loud, outgoing, and didn't ever get embarrassed – no matter how embarrassed she should be!"

Katy's cups have always runneth over

"She was really proud and got lots of attention from the boys"

KATIE HOLMES continues to shed pounds and is now looking frighteningly thin.

Once a healthy 118 pounds, a source says the 5-foot-9 actress has dropped to just 99, and experts warn low weight can trigger severe medical problems for women.

Katie's bony back and gaunt face were shockingly evident at the May 6 Costume Institute Gala in New York City.

"Katie has become skin and bones," said a source. "She's obsessive about watching her weight, counting every calorie and exercising at least four times a week."

Orlando-based sports medicine expert Dr. Gabe Mirkin has not treated the 34-year-old star but believes pictures show she's extremely thin. "You can see every bone in her back because she has almost no fat underneath her skin," noted the expert, adding that she looks to have less than 8 percent body fat when the average American woman has more than 30 percent.

"LESS THAN 10 PERCENT IS unhealthy and causes low levels of female hormones, cessation of menstrual periods, osteoporosis and infertility," Mirkin explained.

New York fitness expert Dr. Edward Jackowski, author of "Escape Your Shape," who does not treat Holmes, warns that women who are too thin can break bones in a fall due to a lack of calcium, and suggested that Holmes "needs to put on 10 to 15 pounds."

In April 2012, before her divorce from Tom Cruise, Katie had already begun to look run-down, with prominent dark circles under her eyes. Over the months, The ENQUIRER has chronicled how the stress of her divorce, career pressures and being a great mom to 7-year-old Suri wreaked havoc on her weight.

Celebrity plastic surgeon Dr. Anthony Youn doesn't treat Katie but has a suggestion for her: "Eat a sandwich!"

Jennifer Hudson FIANCE'S BIG FAT PROBLEM

JENNIFER HUDSON's spectacular weight loss has fiance David Otunga singing the blues.

Sources say lawyer-turned-pro wrestler David misses the curvaceous beauty he fell for when they met five years ago – and he wants her back!

"Jennifer's weight has been an issue between them ever since she lost her first big chunk of weight in 2010," said an insider. "When they met, she was a happy, proud, healthy woman who loved food and embraced every aspect of life with so much enthusiasm.

"Now she takes up to four hours to get ready when they go out, and she gets stressed out every time she puts a morsel of food in her mouth."

Why wrestler David wants diet-triumph singer to pack on pounds again

THE FORMER "AMERICAN IDOL" contestant began her weight-loss journey in 2010 when she signed a multimillion-dollar deal with Weight Watchers. By 2011, the 31-year-old star revealed she'd lost a staggering 80 pounds and gone from a size 16 to a size 6.

At the time, Jennifer admitted to Jay Leno that David was having difficulties adjusting to her new size. "He's not really into change that much, so he fusses at me like, 'Why do you have to get all dressed up to go out,' and 'Why can't you just go out like you used to?'"

David, 33, is also concerned that his Oscar- and Grammy-winning fiancee is becoming more famous for her shrinking waistline than her considerable talents, according to the insider. "David tells her he thinks she's beautiful no matter what size she is, but he misses the down-to-earth 'I don't care' Jen," the insider explained. "Every meal is a pain in the butt, and he's starting to feel totally sidelined by her obsession with her weight."

TIGER $600M PRENUP SHOCKER!

WEDDING PLANS IN CHAOS

Lindsey wants HALF his fortune if they split PLUS millions more if he cheats

OLYMPIC champ Lindsey Vonn is already talking marriage with golfer Tiger Woods, and the downhill alpine skier is making sure she's taken care of if they eventually take a walk down the aisle by having HER say in a prenup!

'She's making Tiger put his money where his mouth is'

Tiger, 37, wants a prenuptial agreement to protect his $600 million fortune, says a source, but Lindsey, 28, is demanding half of the self-confessed sex addict's dough if they split, plus a $20 million payout every time he cheats.

"Tiger's relationship with Lindsey has moved quickly. The two have gotten so serious they're already thinking about a wedding and kids," revealed the source.

"DURING A HEART-TO-HEART ABOUT their future in early May, Tiger swore he's a changed man and told Lindsey that he wants to buy her a ring this summer.

"Tiger also casually mentioned that he'd already contacted his lawyers about drawing up a prenup to protect his assets."

New York party girl Rachel Uchitel

While the Olympic skiing sensation loves Tiger deeply, she has serious reservations about the serial cheating that wrecked his first marriage to Swedish beauty Elin Nordegren, said the source.

"Lindsey told Tiger that she'd marry him, but said that she wants half of his $600 million fortune if they divorce," noted the source.

"And as insurance against him straying, Lindsey warned Tiger that he'll also have to sign an agreement to give her a lump sum of $20 million for every incidence of cheating. Tiger thought he could protect his fortune with a prenup after Elin took him to the cleaners. But Lindsey is a smart cookie, and she's making Tiger put his money where his mouth is."

Elin walked off with a reported $110 million when the couple divorced after The ENQUIRER exposed Tiger's romance with New York party girl Rachel Uchitel and his disgusting double life as a serial cheater.

We reported in January that Tiger was so desperate to win back Elin – mother of his daughter Sam, 5, and son Charlie, 4 – that he offered to sign a whopping $200 million prenup if she'd marry him again. Elin agreed, but demanded a $350 million anti-cheating clause in the wedding contract. While Tiger approved the deal, sources told The ENQUIRER that the reunion fell apart after Elin declared that she didn't want any more kids.

As The ENQUIRER has reported, Tiger tried to get back with Elin

Disgraced golfer can't let go of ex-wife
Superstar's two blondes at each other's throats

Meanwhile, Tiger and Lindsey stunned fans when they announced their romance on their Facebook pages on March 18. They made their red-carpet debut as a couple at the star-studded Costume Institute Gala in New York City on May 6. And she was in Florida to see him win the prestigious Players Championship on Mother's Day. But just weeks earlier, a source told The ENQUIRER that Lindsey became convinced Tiger was cheating on her – with Elin!

"Plain and simple, Lindsey doesn't trust Tiger, even though she's in love with him," said the source.

"She even joked to Tiger that his kind rarely change their stripes. The very traits that Tiger adores about Lindsey – her fierce strength and smarts – are coming back to bite him in the butt."

BRITNEY UNDER FIRE

– FOR LETTING SON PLAY WITH TOY GUN

Jayden takes aim at the Four Seasons hotel in Westlake Village, Calif.

BRITNEY SPEARS has done it again!

The singer has come under fire for her parenting skills in the past, and now she's being targeted for allowing her 6-year-old son Jayden to play with a large toy gun.

A not-for-profit, gun-control group is outraged after the youngster was photographed aggressively pointing the toy weapon at people during the family's May 4 stay at the Four Seasons hotel in Westlake Village, Calif.

"AS PARENTS IT IS OUR RESPONSIBILITY to set a good example for our children, and as a celebrity parent it is especially important," declared mother-of-five Shannon Watts, founder of Moms Demand Action for Gun Sense in America.

"Jayden was photographed not just playing with any toy gun. It looks like an assault weapon."

What's especially shocking, says Watts, is that the incident occurred with the memory of the Sandy Hook Elementary School massacre – which took 26 lives this past Dec. 14 – still fresh in the minds of grieving Americans.

'Britney's been justly criticized for some lapses in judgment as a mother'

Britney with Jayden snuggling their puppy

"It is very disappointing to see Britney allowing her young son to play with such a violent toy," fumed Watts.

But not everyone feels that way.

A source close to the 31-year-old former "X Factor" judge – who shares parenting of sons Jayden and Sean, 7, with ex-husband Kevin Federline – told The ENQUIRER: "Britney's been justly criticized for some lapses in judgment as a mother, like driving around without securing her kid in a car seat. But if letting a boy play with a toy gun is bad mothering, there must be millions and millions of bad mothers in America."

Tebow's rumored ex, Lindsey Vonn, is dating Tiger Woods

Tim Tebow's FAITH TESTED

God-fearing quarterback REELING FROM SETBACKS

JUST over a year ago, Tim Tebow was one of pro football's most celebrated quarterbacks – but now the deeply religious star has been thrown for a huge loss in his life and career, and friends fear he is sinking into a major depression.

Tim dated Camilla Belle

Compounding Tim's anguish, his rumored ex-girlfriend Lindsey Vonn is happily dating comeback sensation Tiger Woods, say insiders.

"TIM'S EGO IS CRUSHED," declared a pal.

And another friend said: "Tim is deeply depressed and may need to see a shrink because everything is going wrong in his life.

"He has a girlfriend he met in church, but she's no celebrity like Lindsey. It's like nothing can get worse for him."

Tim, who dated actress Camilla Belle last year, has been reeling since being let go by the New York Jets in April, say sources. He spent just one year on the team, mostly as a bench-warmer, and now his NFL career may be over.

Astonishingly, just 15 months ago, the 25-year-old athlete was on top of the world as starting quarterback for the Denver Broncos. As he led the once-faltering Broncos into the playoffs, Tim's devoted fans celebrated "Tebow Mania" and "Tebow Time." And he drew raves for "Tebowing" – dropping to one knee in prayer after touchdowns.

His soaring popularity landed him atop "Forbes" magazine's 2013 list of America's most influential athletes. But now, with no NFL prospects and no networks breaking down his door to hire him as a sportscaster, his fame is fading fast.

Said Tim's pal: "He's going through the worst year of his life." **by BOB HARTLEIN**

BRAD & ANGIE ARE A GLASS ACT

Their vino is Hollywood's HOTTEST!

Brad Pitt and Angelina Jolie Miraval – Cotes de Provence

THIS Hollywood power couple is new on the winemaking scene, but they've already made quite a splash. The first offering from the vineyard at their French estate, Chateau Miraval, was a rosé that sold out in less than five hours – all 6,000 bottles! When Brad and Angie bought Chateau Miraval several years ago for $60 million, the 35-bedroom estate already contained acres of terraced vineyards on an organic farm. So the couple teamed up with the famous Perrin winemaking family to produce the elegant rosé. "Brad and Angelina are both wine fans," says a source. "They wanted their wine to be special but also affordable at about $22 a bottle."

★ OLIVIA NEWTON-JOHN

Koala Blue Wines, Limestone Coast of Southeast Australia

Olivia's Koala Blue Wines survived some rough, drought-plagued years Down Under to become a success selling at about $20 a bottle. "Olivia spends lots of time in her vineyards with her husband John Easterling, communing with nature," the source added. "She and her friends...look forward each year to harvest time so they can get together and try out the new varieties."

★ EMILIO ESTEVEZ

Casa Dumetz Wines, Malibu and Los Alamos, Calif.

Emilio Estevez and his fiancee, winemaker Sonja Magdevski, were so enamored with the wines they sampled during a 2004 trip to Spain that they bought a few grape vines and planted them in the one-acre yard of their California home. While they have more than 800 vines growing today, they've expanded beyond their yard and produce about 600 cases of wine a year that sell for between $28 and $39 a bottle.

★ FRANCIS FORD COPPOLA

Francis Ford Coppola Winery, Sonoma County & Inglenook in Napa Valley, Calif.

If there is a king of celebrity winemaking, it's director/screenwriter/producer, Francis Ford Coppola, whose family has been making wine for decades. His California wineries in Sonoma County produce something for every palate. Ranging in cost from about $12 to $23 per bottle, they include his famous Diamond Collection, as well as the FC Reserve, Su Yuen and Rosso & Bianco brands.

★ DREW BARRYMORE

Barrymore Wines, Italy

The first wine produced at Drew's vineyard, located in Italy's Trivento region, is a crisp Pinot Grigio that boasts hints of apricot and lively citrus flavors. The actress is so fond of her $20-a-bottle product she even served it to guests at her June 2012 wedding to Will Kopelman.

★ BARRY MANILOW

Manilow Wines, East Coast Italy, Abbruzzo Region

When the "Copacabana" singer first started producing wines in 2005, it was solely for the Las Vegas Hilton, where he was the resident performer. But the $19-a-bottle wine was so popular, Barry's management decided to produce it on a larger scale to raise money for the Manilow Fund for Health and Hope, which supports school music programs.

The gorgeous actress loves Larry's intellect and humor

SEXY EVA'S HOT FOR LARRY DAVID, 65 – & her hunky beau Ryan *IS SEETHING*

HOLLYWOOD hunk Ryan Gosling has an unlikely rival for his sexpot girlfriend Eva Mendes' affection – chrome-domed comic Larry David!

The "Hitch" hottie kicked off the improbable threesome when she tapped out a gushing text to a pal named "David," and accidentally sent it to the "Curb Your Enthusiasm" star, according to sources.

"Eva wrote a text to her friend David, who's an aspiring playwright, congratulating him on his writing ability and saying that he's got a big future," said an insider.

"BUT AFTER SENDING THE TEXT, EVA REALIZED IT had gone to Larry David, not her pal David.

"When Ryan found out, he hit the roof! To him, Eva's inadvertent text meant only one thing – Larry David is on her mind!"

And as The ENQUIRER reported in July 2011, the 39-year-old Cuban-American beauty and the "Seinfeld" co-creator, 65, have a history.

The two built an unlikely bond after hitting it off at a TinselTown party in early 2011 but went their separate ways after several months.

> 'The truth is, he IS jealous of Larry'

Eva has always had a thing for Larry because she loves his intellect and humor.

EVA SOON FELL FOR RYAN, 32, when they filmed "The Place Beyond the Pines" almost two years ago. But the source says she talked constantly about Larry early in their romance.

"Ryan figured that after a few months, Eva's fascination with Larry would fade, and he'd never hear the guy's name again," explained the insider.

But in September 2012, Eva and Larry – who's divorced and worth an estimated $500 million – reunited while filming the HBO film "Clear History," and they apparently re-established their friendship.

"Ryan doesn't want Eva to think he's jealous of Larry, but the truth is, he IS jealous of Larry," said the insider.

"After all, Larry's not a bad looking guy and he's rich! Women are constantly falling at his feet. Ryan just hopes Eva will 'curb her enthusiasm' for him sooner rather than later."

MICHELLE KNIGHT

Inside abducted girls' HOUSE OF HORRORS

Tortured lives of terrified sex slaves

Evil suspect's sick, twisted secrets

REVEALED: First victim he targeted

EVIL pervert Ariel Castro's reign of terror began years before he kidnapped, starved, beat and raped three young women in his ramshackle house of horrors!

In a chilling twist, The ENQUIRER has learned that the sex fiend targeted his first victim 18 years ago.

She was a 15-year-old neighborhood girl, sources say, but when Castro began flirting with his intended prey, the teen's mother confronted him.

"Her mother screamed at Castro, 'What are you trying to do with my daughter? You're a grown man! Leave her alone!'" said a source.

The girl rejected Castro, but she says that he continued to harass her.

"He just wouldn't leave me alone," the now-33-year-old woman – who begged not to be identified – told The ENQUIRER.

"About four years ago, he called me at 2 a.m. He said my dog was in his yard, and demanded that I come and get the dog right then.

"BUT MY GUT WAS TELLING ME IT was a setup. I told him to quit bothering me, and hung up on him.

"Then I checked and saw my dog in our yard. If I had gone to his house that night, I would have disappeared too. I would have become the monster's fourth victim!"

Castro is now behind bars on $8 million bail, and The ENQUIRER has gone behind the scenes to peel back the layers of his treacherous double life as a hardworking school bus driver by day and vicious sex fiend by night.

Authorities say Castro's first victim became Michelle "Shorty" Knight. In August 2002, he lured the then-21-year-old into his blue Miata near his home at 2207 Seymour Ave., in Cleveland, Ohio.

The monster used the same ruse to snatch Amanda "Mandy" Berry, 16, in April 2003, and Georgina "Gina" DeJesus, 14, in April 2004, sources say.

"As soon as Castro got the girls in his car, he drove straight to his house," a police source told The ENQUIRER.

"He chained them in his 300-square-foot basement, forced them to wear dog collars, gagged them, beat them and raped them. They never had a chance to escape.

"He forced the girls to watch TV reports about their disappearance to torture them. It gave him a sense of power. He even took part in the searches and prayer vigils for them. Once, he approached Gina's mother to ask how she was doing."

At times, the sick creep – who drove a bus for the Cleveland school district – tested his helpless victims, said the source. "He'd tell the girls that he was going out, but then he'd sneak back into the house," said the source. "If he thought they'd tried to get out of their restraints, he would beat and starve them.

"After a while, they let Castro do whatever he wanted with them. It was their only means of survival. They were too scared to try to escape."

To satisfy his sexual urges, Castro raped one of the girls each night while they were tied up. He forced them into perverted, violent sex acts, and threatened to kill their families, sources say.

Even while he raped them, the evil brute demanded that the women declare: "I love you. You're the

best lover in the world," sources say.

And his brutality showed no bounds on the five occasions Michelle got pregnant.

"Each time, he'd starve her for a couple of weeks and then punch her repeatedly in the stomach until she miscarried," said the police source. "The unborn fetuses were flushed down the toilet."

Castro confessed to the cops that he didn't want Michelle to bear his child because she was short, only 4-foot-7, and he claimed she was mentally disabled, according to the police source.

But it was a different story with Amanda, his favorite captive. The source says when she got pregnant, the fiend wanted the child.

"Castro had Amanda deliver the baby in a child's plastic wading pool inside the house," said the source.

"He ordered Michelle to help with the delivery and told her, 'If that baby dies, you die.' The infant stopped breathing several times, but Michelle revived her with mouth-to-mouth resuscitation."

Castro named his daughter Jocelyn and told authorities that he had a plan for her, said the source.

"He wanted to raise her as his own personal sex slave," said the source. "She'd replace the other girls after he killed them because they were getting too old for him."

AFTER JOCELYN'S BIRTH, Castro moved his captives from the basement into their own bedrooms on the second floor. They were often chained and the windows were too high for them to break and jump from. If they had tried it and failed, the punishment would have been horrific.

"The house only had one bathroom downstairs," said the source. "When Castro was gone, the women were forced to use bedpans in their rooms. When he was home, he'd let them out one at a time to use the bathroom.

"The girls were unable to communicate with each other, but each one knew the others were there. If they broke any of Castro's rules, they were starved or savagely beaten.

Jodie and Cydney have been having secret, romantic meetings, says a close source

JODIE'S GETTING COZY WITH HER EX

Oscar winner's touching date WITH FORMER FLAME

Cydney is taking things slowly with Jodie

LOVE's looking lovelier the second time around for Jodie Foster!

The talented Oscar winner, 50, recently met ex-girlfriend Cydney Bernard, 60, for coffee, and as our photos show, they seem as close as ever.

"Jodie and Cydney co-parent their two boys, so they spend a lot of time together as a family," said the close source. "But for the past several months they've been secretly meeting for little 'romantic dates' to figure out whether they have a long-term future together."

THE TWO MET ON THE SET OF THE 1993 film "Sommersby," and lived together for 15 years. They have two sons – Charles Bernard Foster, 14, and Kit Bernard Foster, 11 – but have never revealed their paternity.

The couple split in 2008 after Jodie began an affair with writer-producer Cindy Mort. But a year later, Cindy rekindled a romance with an old flame and left Jodie.

Jodie – who won Oscars for "The Accused" and "The Silence of the Lambs" – then got close to actress Cherry Jones, her co-star in "The Beaver." But she never stopped loving Cydney, said the source.

"For now, Cydney is taking things slowly," the source added. "She doesn't want to get her hopes up, and then have Jodie break her heart again."

Inside kidnap girls' HOUSE OF HORRORS

The re-creation at left depicts the chains and dog collars Castro forced his victims to wear. At right, another re-creation illustrates how Amanda Berry smashed through the door and liberated herself and her fellow captives

CONTINUED FROM PAGE 31

"They struggled to stay sane. Amanda did her best to educate her daughter and Gina taught herself how to sew and made clothing."

During their years in captivity, the three victims were allowed out of the house only twice, in the backyard, and wore wigs and sunglasses, police say.

Castro fed his helpless prisoners an unhealthy diet of mainly fast food.

"Sometimes he'd cook beans and rice or bring them leftovers from neighborhood barbecues," said the police source. "But mostly, they just ate junk and fast food."

Castro often went to a nearby Burger King.

"He'd order two ham, egg and cheese croissant sandwiches," a Burger King employee, Andrea Carabello, told The ENQUIRER.

"After he ate them, he'd say, 'Four more fresh ones.' He always flirted with me and my co-workers. He'd call us 'my love' and ask, 'How are you, beautiful?'"

Neighbor Elsie Cintron added: "Every morning he'd show up with his school bus and go into the house carrying bags from McDonald's or Burger King. He'd come out minutes later without the food."

Elsie Cintron and Tito DeJesus

Castro, 52, also played bass in several salsa bands over the years, and his best friend, Ricardo "Ricky" Sanchez, often dropped by his home to jam to salsa DVDs. "When I asked him if he had any girlfriends, he said, 'I have a couple here and there, but it's nothing serious,'" Sanchez recalled. "Then he just smiled."

Although the two were friends for eight years, Sanchez said he always needed an appointment to visit.

"If I dropped by without telling him first, he wouldn't answer the door, even when I knew he was home," said Sanchez.

"In all that time, I only went upstairs once, and his bedroom door was the only one that was unlocked.

"THE OTHER DOORS WERE LOCKED AND HAD SLITS cut near the bottom. I'm guessing the girls were in those rooms, and he passed food to them through the slits."

The basement door was always locked, added Sanchez.

"Once, I heard thumping coming from the basement, but Castro said it was his dogs making noise," Sanchez said. "He had two small dogs that were usually in the backyard, and I didn't think anything of it. Now, I know it had to be one of the girls."

The house was a pig sty, noted Sanchez, who last visited Castro just five days before his May 6 arrest.

"The house was filthy – a total mess," said Sanchez.

"Boxes, junk, clothes and papers were strewn everywhere. The front door opened into a living room with an old, worn-out sofa and a laptop computer hooked up to a wide-screen TV. Musical instruments and amps were scattered around.

"The sink was always full of dirty dishes. The place smelled of old cooking odors, urine and sweat."

Keyboard player Tito DeJesus, who is a distant cousin of Castro's former captive Gina DeJesus, played with the fiend in a band but visited his home only three times during their 20-year friendship.

"He got fired from his last band, Grupo Kanon, because he'd never stay overnight for out-of-town gigs and always had to get home early," DeJesus told The ENQUIRER.

"No one could understand why, but now we do. He couldn't leave those women alone."

Even Castro's relatives – who were forbidden to go upstairs or down to the basement when they visited – called the house the "prison."

And authorities say it had been carefully soundproofed to prevent neighbors from hearing his helpless captives' screams.

"He used to play his music really loud," neighbor Juan Perez, who's known Castro for 25 years, told The ENQUIRER.

"Now I know he was using it to mask any sounds the women made. He was a good actor – very charismatic. He walked around the neighborhood with his chin high, his back straight, saying, 'Hey, man, how you doin'?'"

Neighbor Cintron said Castro stood out in his run-down neighborhood.

"He fooled everybody because he seemed to be an upstanding citizen – a guy with a steady job, which is rare in this neighborhood," she said.

"He was the richest guy on the street. That was his ace in the hole. No one questioned him. To everyone here, he was a friendly guy, smiling and waving."

But Castro had been arrested on a domestic violence charge in 1993, and in August 2005, he was

A daring escape

Castro appeared in court on May 9

The depraved musician hangs his head as he's charged with multiple counts of kidnapping and rape

ordered to stay away from his common-law wife Grimilda Figueroa after he was accused of beating her so severely that he broke her nose and ribs, dislocated both shoulders and caused a blood clot in her brain.

The beginning of the end for the monster came in November when he was fired from the school district for several violations. His house fell into foreclosure and he recently received an eviction notice.

"He was desperate," a source close to the investigation told The ENQUIRER.

"Castro told police that he'd decided that he would have to kill the girls because he had to leave the house and he had no money.

"He was so upset that his world was collapsing that he forgot to lock the front door when he left on May 6."

When his daughter Jocelyn told her mom Amanda that Castro had really left the house and was out of sight, Amanda saw a chance to escape and took it. With the help of neighbors, Castro's victims were rescued by police and are now recovering with their families. But the anger against him continues to boil.

"I want to rip the guy to shreds," said his former bandmate DeJesus. "He never shared his personal life with anyone, and now we know why. He had a lot to hide."

CASTRO KILLED EIGHT OTHER WOMEN – FEAR COPS

Fiend quizzed about more abductions

appearance.

AUTHORITIES are "considering the possibility" that Ariel Castro is a serial killer responsible for the abductions and murders of up to eight other young women in Cleveland, a police source tells The ENQUIRER.

"We suspect he may be involved, and we are investigating," the source said.

Cops who searched Castro's home reportedly found the letters "R.I.P." followed by a woman's name scrawled on the wall of the basement. And one of Castro's victims claims that a fourth woman had been at the house, but then suddenly disappeared.

Two cases in particular are already getting a closer look – the disappearances of Christina Adkins and Ashley Summers. Christina was 18 and five months pregnant when she vanished from Cleveland's West 25th St. in 1995. Ashley, 14, was last seen in 2007, just blocks from where Amanda Berry and Gina DeJesus were abducted.

"I am convinced that Castro is responsible for Ashley's disappearance," the teen's aunt Debra Summers told The ENQUIRER. "It's just too much of a coincidence.

"Ashley was a fighter – maybe she gave him too much trouble and he killed her."

DEBRA SAYS ASHLEY CALLED HOME A MONTH after she disappeared and told her mother: "I'm all right, Mom. I love you." The call was traced to a phone registered to a person whose last name was "Castro," but the investigation went nowhere.

"I want to believe in my heart that she is still alive," Debra added. "But it's so hard not to think of the worst case scenario." **by JOHN BLOSSER**

Monster's brothers SCARED FOR THEIR LIVES

THE two badly shaken brothers of accused sex fiend Ariel Castro were known in their rundown section of Cleveland as likable boozers who scraped by doing odd jobs.

They lived in homes owned by their mother, Lillian Rodriguez, and got around town on bicycles.

But their quiet world was suddenly turned upside down with the bust of their 52-year-old brother, quickly branded the "Cleveland Monster."

EVEN THOUGH AUTHORITIES DIDN'T charge Onil Castro, 50, or his brother Pedro, 54, in the twisted sex crimes, they are still being tormented by death threats. The brothers, who were in the dark about Ariel's double life, say they are as surprised as the rest of the world by their brother's horrific crimes.

But boozy duo insist THEY KNOW NOTHING

Onil and Pedro Castro say they are as surprised as the rest of the world by their brother's horrific crimes

"They are terrified," Onil's son Steven told The ENQUIRER. "They went into hiding."

For years the locals had considered Onil and Pedro – who live less than a half-mile from Ariel's House of Horrors – to be a colorful part of the local scene.

"Pedro was nothing but a happy-go-lucky drunk," neighbor Jovita Marti told The ENQUIRER. "He used to lie down on our porch, swilling cheap beer and cracking jokes. He often visited Ariel, but I never saw Onil here."

The brothers were always on the hustle for odd jobs and cash, offering to clean up neighbors' yards for $20.

"Even if they were always drunk, they were nice," said neighbor Samira Abdul Karim. "They had a sense of humor and laughed all the time. People liked them."

Julio "Cesi" Castro, 77, uncle of the three brothers, told The ENQUIRER: "They should have gone far in life. Their father, Pedro Sr., left them a used car dealership – but they sold it and Ariel's brothers frittered away their shares on drinking." **by JOHN BLOSSER**

TEEN SHOT HIS GRANDPA DEAD...

Janet Strickland said she was sick of her husband

AFTER GRANDMA GAVE ORDER TO KILL

– say prosecutors

Retired steelworker GUNNED DOWN AS HE WAITED FOR BUS

William Strickland is charged with murdering his grandfather, also named William

HEARTLESS grandma Janet Strickland allegedly enlisted her teenage grandson in a heinous plot to kill her husband – the kid's 72-year-old grandpa!

William Strickland, 19, agreed to the sick scheme, and then pumped six slugs into his grandfather's back as he waited to catch a bus for his dialysis treatment, say prosecutors.

LATER, THE TWO USED THE DEAD man's money to go on a shopping spree – buying a flashy car, furniture, tattoos, a cell phone and more, the authorities add.

"There's a special place in hell for people like this," said a source. "Stone cold hearted isn't the word for it. This is pure evil."

The vile story apparently began when grandma Strickland, 64, told her grandson that she was "sick" of his grandfather, also named William.

"She stated that she wished he was not here and she wanted him gone," said Assistant Cook County (Ill.) State's Attorney Jacqueline Kwilos.

On Feb. 28, Strickland told her grandson that she wanted the shooting done two days later. The creeps had talked about hiring someone to kill the elder Strickland. But the teen told his grandma that he would do it, said Kwilos.

The grisly grandma, who suffers from lung disease, later admitted that she knew her husband was heading to his death when she watched him leave for his dialysis appointment on March 2, say the police.

She also said she knew her grandson had stolen his grandfather's handgun, according to authorities. Callously, she watched him grab a bag stuffed with money as her husband lay dead on the street, the authorities add.

Police recovered 25 bullet shell casings at the scene.

"It's the ultimate betrayal," said the source. "Grandma and grandson kill the grandpa for his money. How low can you go?"

Bad-boy Strickland has admitted he is a member of the Black P. Stones street gang, according to court documents. In a sickening twist, he has the words "Legacy," "Loyalty" and "Respect" tattooed on his arms.

COPS SAY JANET STRICKLAND WAS A beneficiary of her husband's assets, including his bank account. Now she and her grandson await trial for murder.

Neighbors of the elderly couple remain shocked at the bizarre killing.

"He loved her," said next door neighbor Theolene Shears, 84, of the elder Strickland. "He always praised her, the things she did. She was a good cook and housekeeper and kept him well-fed. He seemed very happy with her and she with him."

Grandpa William, a retired steelworker, had even tried to get his grandson a job after the boy's mother sent him to live with the couple.

"He was a family man," added neighbor Denine Cross. "He loved his grandson. I would have never imagined this. I've got headaches just from thinking about it."

"It's the ultimate betrayal. How low can you go?"

Michael Douglas & CATHERINE'S MOM BUTTING HEADS

Michael's relationship with Pat has become strained, says a source

TENSIONS SIMMER as she flies in to help troubled daughter

WITH troubled actress Catherine Zeta-Jones in a psychiatric facility, her mother and her hubby Michael Douglas are locked in a battle of wills, sources say.

Tension arose after Catherine's strong-willed 65-year-old mother Pat jetted to New York from her home in Wales to look after her two young grandchildren, insiders say.

Catherine and her kids

"When she learned Catherine was back in rehab, she dropped everything to fly to New York and support her," said a close friend.

"WHILE PAT LOVES MICHAEL, SHE knows the two of them fight a lot."

Meanwhile, 68-year-old Michael balks at his mother-in-law pitching in to care for the couple's kids – son Dylan, 12, and daughter Carys, 10.

"Pat is very assertive and speaks her mind, and that agitates Michael," said another source. "He feels that he's more than capable of running the household while Catherine is getting help for her problems."

As The ENQUIRER has reported, the Oscar-winning beauty, who claims to be 43, was readmitted to rehab after sources said she was boozing and fighting with her husband, who's successfully battled throat cancer.

THE COUPLE'S 12-year marriage has also been experiencing tough times – with Michael even moving out at one point last summer – and sources say Catherine's drinking has sparked confrontations.

"Things between Michael and Catherine have become very strained lately," said the close friend.

"Between his cancer battle and Catherine's depression, not to mention their careers and family obligations, their marriage has been under enormous stress. But Catherine's mom is telling family members that since she arrived, Catherine is responding to treatment. Pat is not suggesting that the marriage is over because she insists Michael and Catherine do still love each other."

AFTER a desperate battle to get off drugs, "Home Alone" star Macaulay Culkin is now destroying himself with cigarettes, say insiders.

The troubled 32-year-old actor is smoking an astonishing 60 cigarettes a day and putting his life at risk of deadly lung cancer!

"Mac has swapped out one deadly habit for another," declared a concerned pal. "It's a nightmare!"

Last August, The ENQUIRER revealed that the former child star was a heroin addict who also abused painkillers. Now, he's said to be off heroin and trying to clean up his act, but he's tragically relying on another life-threatening crutch.

"He's put his nicotine addiction into overdrive," revealed another friend. "Almost every time I see him, he has a cigarette dangling from his lips and is puffing furiously."

IF MACAULAY, WHO FAVORS Marlboro cigarettes, doesn't change his ways, he faces a bleak future, warn medical experts.

Dr. Jerome Spunberg, a Palm Beach Gardens, Fla., radiation oncologist, who has not treated Macaulay, told The ENQUIRER he has "30 times the risk" of dying from lung cancer than a nonsmoker.

As previously reported in The ENQUIRER, the actor had a major run-in with a photographer outside a nightclub in Brighton, England, and has abused drugs (below)

EXCLUSIVE INTERVIEW

IT'S POT BOONE!

PAT BOONE has gone to pot! The squeaky-clean '50s crooner is singing the praises of marijuana, saying it's helped his 36-year-old grandson cope with a debilitating injury.

While strongly opposed to "getting high," the 78-year-old conservative Christian is making an exception for legal use for Ryan, son of Lindy Michaelis, one of Pat's four daughters.

"Pat feels as long as it's not being used for recreational purposes, and is used to help people cope with pain and anxiety, then it's all right," revealed a family friend.

A dozen years ago, Ryan was severely injured in a three-story fall through a skylight while sunbathing on the roof of his

Music legend's family singing PRAISES OF MARIJUANA

Mac's former girlfriend, Mila Kunis

And Dr. Herman Kattlove, former spokesman for the American Cancer Society, who does not treat the actor, added that Culkin's lung cancer risk will "eventually exceed 100 times that of a nonsmoker" if he keeps puffing away at his current three-pack-a-day rate.

To make matters worse, Culkin is also downing cognac, beer and energy drinks, divulge insiders.

Pals believe the actor's bad habits are spurred on by problems, including his recent split with an ex-stripper girlfriend. As The ENQUIRER has reported, he also had a major run-in with a photographer outside a nightclub in Brighton, England, and suffered an embarrassing snub from his former girlfriend, "Black Swan" beauty Mila Kunis.

"All of this has Mac very stressed out, and that causes him to smoke more," noted the friend. "He's coughing a lot, his teeth are yellowing, and friends and family are worried he's killing himself."

apartment. One of Pat's other daughters, Debby, famous for her '70s hit "You Light Up My Life," was first to get the terrifying news.

"Lindy was vacationing in Spain when it happened," said the friend, "and she gets a call from her sister saying that Ryan had been in this terrible accident.

"He was so severely injured they didn't think he would make it."

FOR SIX FRIGHTENING MONTHS, Ryan lay in a coma, needing blood transfusions to stay alive. And years passed before he recovered enough to eat and move around on his own.

As The ENQUIRER reported last year, when Ryan took his first steps, a thrilled Pat declared: "I truly believe that the power of prayer helped save my grandson."

But the young man was left with a debilitating problem. He developed an uncontrollable fear of men he didn't already know.

"He feels threatened, so it really limited where we could go," Lindy, who wrote a book called "Heaven Hears" about her son's ordeal, told The ENQUIRER. "But if I'm able to give him just a tiny bit of chocolate brownie laced with medical marijuana, which calms his anxiety, then we can take him to church."

Lindy, who lives in Coto de Caza, Calif., says she's grateful the state has legalized medical marijuana, proclaiming: "It's given us a more normal life."

A real EYE-OPENER

The double-whammy of age and gravity can be tough on eyelids, making them sag, droop and deflate. But a cutting-edge product promises to make your eyes look brighter, fresher and bigger!

Bremenn's Upper Eyelid Lifter uses a synthetic skin brightening agent along with key amino acids, a biopolymer from sweet almond, peptides and extracts from yeast, rye seed and soy to take away the droop and make you look more alert and alive, say the manufacturers.

Produced by skin care powerhouse Bremenn Research Labs, this eye-opening cream retails for under $24 at Walmart.

NO PAIN, LESS GAIN

Runners should think twice about taking pain medication before a race.

Thousands of long-distance runners were surveyed and German researchers found that those taking over-the-counter painkillers were more likely to suffer stomach cramps, heart palpitations, intestinal bleeds, blood in the urine and joint and muscle pain.

"Our data indicate that the widespread use of (painkillers) in connection with endurance sports is potentially damaging," caution the study's authors.

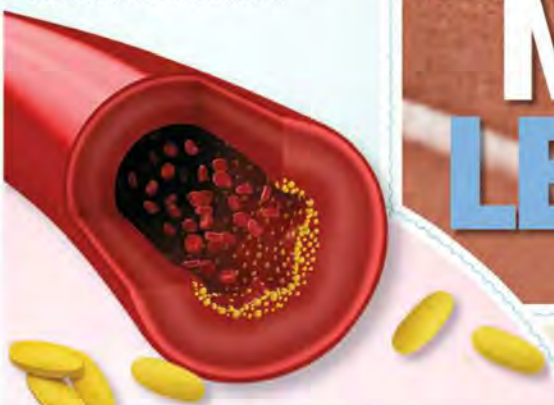
VITAMIN E for quitters

If you've made the wise decision to quit smoking, taking a form of vitamin E can help lower your risk of heart disease.

Investigators are enthusiastic about the healing properties of a type of supplemental vitamin E called gamma-tocopherol, giving a boost to heart health.

In a small study, smokers were asked to quit for seven days. Blood vessel function improved in those who took the supplement.

"This is a very short-term study that shows very promising effects," says Ohio State University researcher Richard Bruno. "We hope to develop a therapy to combine with smoking cessation that could accelerate the restoration of vascular function and reduce cardio-vascular risk."



VITAMIN B3 beats cholesterol

You can lower your high cholesterol for only pennies a day by taking vitamin B3.

Also called niacin, this vitamin has been used safely for more than 60 years and has been shown to reduce deaths from heart disease, according to the Orthomolecular Medicine News Service, a nonprofit research group in Wichita, Kan.

Widely taken in supplement form, niacin is relatively safer than cholesterol-lowering drugs, say OMNS researchers.

Check with your health care provider before using niacin to fight high cholesterol.

Parent ALERT!

Warning! More than 40 percent of parents give young children potentially harmful cough and cold medicines, according to a new study.

University of Michigan researchers polled parents with children younger than 4. They reported giving their toddlers over-the-counter cough medicine or multisymptom cough and cold medicine. Twenty-five percent also gave those children decongestants.

"These products don't reduce the time the infection lasts – and misuse could lead to serious harm...They should not be used in children under 4 years old," says Dr. Matthew M. Davis, director of the C.S. Mott Children's Hospital National Poll on Children's Health.

CRYPTOGRAM QUOTES

FAMOUS QUOTES FROM YOUR FAVORITE PEOPLE

Cryptograms are coded messages. To solve the Cryptogram, each coded letter must be replaced by the answer letter in the box overhead. When you solve the code for a letter, write the answer letter in the box everywhere the coded letter appears. Look for common words and letter patterns to break the code. Words like AND, I, THE and A are found frequently. Common word endings are ING, S and E.

LEN FELDMAN'S BEST BETS ON TV

What's hot this week

The Glades (Season Premiere)

Monday, May 27, 9 p.m. ET, A&E

Florida's favorite peacemaker – the charming, disarming Det. Jim Longworth (Matt Passmore) – is back poking around where no one else would dare or care to. Tonight, he and Daniel (Jordan Wall) dig up some family skeletons when the murder of an heiress occurs in a mansion on a supposedly haunted plantation. Returning after three seasons, Passmore is still amazing to watch as Longworth with his fast-talking common sense logic. But his logic is soon seriously challenged in this deliciously diabolical and ghostly "Glades."

Matt Ross and Jewel

Ring of Fire (Made-for-TV Movie Premiere)

Monday, May 27, 9 p.m. ET, Lifetime

To say that Jewel turns in a "gem" of a portrayal as legendary country music icon June Carter Cash in this toe-tapping and heart-tugging TV movie would be a severe understatement! It's her strong yet sensitive performance that anchors this showbiz love story. Based on John Carter Cash's memoir about his mom, the movie vividly spans the decades from the 1930s to the 21st century. The action is so realistic, you actually feel a part of this tough love story as June saves her husband, Johnny Cash (Matt Ross), from drug addiction. With Jewel performing Carter and Cash's greatest hits to perfection without a voice double, "Ring of Fire" is one hot TV ticket!

Does Someone Have to Go?

Thursday, May 30, 9 p.m. ET, FOX

Last week on the May 23 premiere of this nail-biter of an office reality show, the owners of Velocity Merchant Services in Downers Grove, Ill., put the company in the hands of the workers. They not only had to make major office decisions but also weed out the biggest slackers in the firm. Tonight, the bottom three defend their jobs, abilities and work records – and basically beg their own co-workers not to fire them as this corporate pressure cooker of a series heats up.

Employees have to fire their own co-workers

More All My Children More One Life to Live (Recap Shows)

Friday, May 31, Hulu, Hulu-Plus, I-Tunes

Going on the Internet was the best thing to happen to these two legendary soap operas. And it makes these exclusive weekly recaps of "AMC" and "OLTL" story lines interactive and exciting. So far, the shows – hosted by Leslie Miller – have featured appearances by "AMC" actors Debbi Morgan (Angie), Eric Nelsen (AJ), Julia Barr (Brooke) and Cady McClain (Dixie), plus beauty secrets to look like a soap star. Among the "OLTL" stars, we've seen actors Jerry ver Dorn (Clint Buchanan), Kelley Missal (Dani Manning), Melissa Archer (Natalie) and Corbin Bleu (Jeffrey). Interact with the stars and catch up on the action with more exclusive interviews and sneak peeks!

DIANE SAWYER FORCED BARBARA TO QUIT

Walters walked away AFTER BOSSES WOOED RIVAL

Sawyer (above) and Walters have been feuding for years

WHEN Barbara Walters got wind of ABC's secret plan to dump her in favor of her rival Diane Sawyer, she declared: "You can't replace me – I'm retiring!"

That's what sources are saying was really behind the news legend's May 13 announcement that she's going to call it quits in the summer of 2014.

"Barbara was fit to be tied when she found out that network execs wanted Diane to take her place," said a source. "The two have had a rift for years as each tried to poach the other's exclusive interviews."

Diane and Barbara in their heyday

WHILE 83-YEAR-OLD BARBARA heads toward the door, Diane, 67, has been on a roll. Ratings are up for her "ABC World News," and her April 30 interview with Amanda Knox – the American beauty imprisoned in Italy for four years – was a bona fide blockbuster.

Despite Diane's recent triumphs, "the network realizes she has been working at a furious pace and cannot keep it up forever," revealed an insider. "The idea is to have her do all the celebrity interviews for 'The View' and for Barbara's annual 'Ten Most Fascinating People.'"

As The ENQUIRER reported in early March, the original plan was to have Maria Shriver replace Walters, but that idea crumbled when Shriver, 57, took a new job at NBC as a "special anchor."

"Now all systems are go for Diane to take over for Barbara," said the source.

"Seeing how the two have been feuding for decades, it's going to be sweet revenge for Diane!"

Minaj has no class

Regarding "Nicki Minaj Slams 'Idol' Judges" (April 22): Nicki claims the other judges make the show boring. At least they have class. She's definitely not carrying the show with her yammering! Mariah, Keith and Randy don't open their mouths unless they have something worth saying.

– June S., Wildwood, Mo.

Keep it up, Paula

You'd think Paula's husband would be happy she's losing weight and getting healthier (Paula Deen's Saggy Skin Sparks War with Hubby, April 22). It looks like her husband could stand to lose a few pounds also. Paula, you look good. Don't do anything that makes you uncomfortable.

– Lynn T., Dayton, Ohio

$50 Letter of the Week

Chipmunk cheeks are cute, Kate!

Kate Middleton shouldn't be at all upset by her husband Prince William calling her "Chipmunk Cheeks" (Gossip with Mike Walker, April 22). It's a loving compliment. Sometimes she has this really cute expression on her face and it just adds to her natural beauty. (William, I hope this helps!)

HOW TO PLAY

You must fill in every empty square in the Sudoku grid. There's no right way of going about this, but there is only ever one solution. The big grid is split into nine mini-grids. There are nine rows running left to right and nine columns running down. In every row, you must have each of the numbers 1, 2, 3, 4, 5, 6, 7, 8 and 9. These can be in any order. The same applies to columns and mini-grids: place every number 1 through 9 in each column and in each mini-grid.

Season 7 "Biggest Loser" winner Helen Phillips with Jillian Michaels & Bob Harper

ENQUIRER SPECIAL INVESTIGATION

REALITY TV LAID BARE!

How much the stars earn & BEHIND-THE-SCENES SECRETS

REALITY TV shows often showcase people's most embarrassing and unflattering moments, so why would anyone in their right mind sign up for that kind of public humiliation?

It's all about the money, honey!

Industry insiders say the top stars are making big bucks from their TV escapades – and even some of the lesser-knowns aren't doing all that badly.

NBC's "The Biggest Loser" requires a huge commitment from contestants, but the payoff is just as hefty. The first 18 weeks are spent at the "Biggest Loser" camp, followed by a 30-day period at home for the finalists. And while only the winner gets the $250,000 top prize, everyone gets a $500 weekly stipend. While that may not seem like much, the free nutrition counseling and personal training sessions – not to mention the new, improved bodies – are worth a small fortune.

CONTESTANTS ON ABC'S "Bachelor" and "Bachelorette" spend six weeks filming a season, and the hours are often long. Hopefuls get a small fee, room and board, travel expenses and a daily allowance for meals. Winners not only get "true love," but a shot at future endorsements and appearances. Sean Lowe, the most recent "Bachelor," was paid around $75,000.

DeAnna Pappas – who was reportedly paid $10,000 to be Season 4's "Bachelorette" – revealed that she was "bombarded" with offers after the final rose ceremony, as long as she appeared with her fiance Jesse Csincsak. (They later broke up.)

And Trista Rehn – the first "Bachelorette" – cashed in when she tied the knot with her prince charming, Ryan Sutter. The pair got $1 million to televise their December 2003 wedding. But the "Bachelorette" who really struck gold was Season 8's Emily Maynard, whose base salary was reportedly between $150,000 and $250,000 for taking part in the show.

First-place winners of CBS' "Amazing Race" get a whopping million-dollar prize – not a bad paycheck for a month-long global adventure! But by far, the biggest moneymakers on reality TV are the ladies of Bravo's "Real Housewives."

New Jersey's Teresa Giudice rakes in $650,000 plus bonuses each season, Caroline Manzo makes $400,000, Melissa Gorga earns $350,000 and Jacqueline Laurita gets $275,000. The top earners of the New York City "Housewives" are old-timers Ramona Singer and LuAnn de Lesseps, who each command $500,000 per season plus bonuses.

The six lead women held out for more money before filming Season 6 but eventually signed for small hikes in pay and other perks.

Over in Orange County, Vicki Gunvalson is bringing home the biggest paycheck – $500,000 a season. She's followed by Gretchen Rossi ($375,000), Tamra Barney ($325,000) and Alexis Bellino ($175,000).

Over in Beverly Hills, Lisa Vanderpump is the high earner: She's set to make $350,000 for Season 4.

"Amazing Race" winners Bates and Anthony Battaglia

"The Real Housewives of Miami" scores the lowest ratings in the franchise – and the ladies' salaries, between $55,000 and $75,000 per season – reflect that fact.

Undoubtedly, the Queen B of all the "Housewives" is Atlanta's NeNe Leakes, who signed a staggering $1 million contract – plus bonuses – to stay for Season 6.

Acts of kindness

All across the country, every day, good people perform acts of kindness for strangers. Only rarely do they receive recognition for their selfless work. In our ongoing series, The ENQUIRER will put the spotlight on those who care enough to make life better for those around them.

Cyndi Nader, in her gratuitous gown, extends a hand to hubby Al

GOWNING GLORY

Charity gives wedding dresses to military brides – FOR FREE!

HEIDI JANSON wants to make military brides' wedding dreams come true – so she devised a way to provide them with gorgeous gowns of their choice for FREE!

The bighearted woman from New Hampshire founded a nonprofit group, Brides Across America, to make sure the special day of every soldier is one to remember.

"Military brides don't always get their dream wedding," Heidi explains. "Some women have to give up their wedding due to their fiances getting deployed quickly.

"OTHERS HAVE TO SETTLE FOR a civil ceremony then wait years for their fiances to return home so they can have a proper wedding day.

"We're here to make a difference."

Heidi was motivated to act in 2007 after reading a newspaper article about a young soldier in Afghanistan who felt that he and his comrades had been forgotten.

"It brought home to me the sacrifices the men and women in uniform are making every day in very tough conditions to make sure that we here at home are safe," Heidi says.

"I grew up in the bridal industry and helped my wedding boutique in New Hampshire donate 50 gowns to military brides – women in uniform or civilian women who were marrying military men.

Cyndi and Al on their wedding day

Army Sgt. Brandon Parnell watches fiancee Kim Havner try on wedding dresses

"Word spread like wildfire, and soon boutiques across the country volunteered to donate dresses. So far, we have coordinated the donation of 8,000 gowns. And the effort is growing.

"To see the expressions on the faces of these young women makes all the hard work worthwhile."

Cyndi Nader, a 25-year-old pharmacy student in San Antonio, Texas, was thrilled when she learned she would be getting a free wedding dress. Cyndi and her sweetheart, Major Al Nader, tied the knot in her hometown of Belmont, Mich., on Dec. 29.

"It really is incredible," says the beaming newlywed. "I picked out a beautiful, 100 percent silk, off-white Simone Carvalli designer dress at an exclusive wedding boutique in Manassas (Va.). My receipt says, 'Dress price – $2,700. Sale price – Free!'

"I HAD MY OWN PERSONAL ASSISTANT and was treated like a princess. It was like a dream come true."

In total, 38 bridal salons nationwide participate in the Brides Across America program, including the Maya Couture Bridal Salon in Norfolk, Va., which gave away 100 gowns worth between $800 and $2,500 in November.

The salon's president, Maya Warburton Holihan, says: "There is nothing more rewarding than to be able to give in this manner and show our appreciation to the men and women who choose to serve our country and make so many sacrifices.

"We host this event every year, and it puts perspective and a greater purpose back into my life...My dreams are coming true too."

Of the people she has helped dress for their big days, charity founder Heidi adds: "They're our heroes. They deserve the best we can give them."
